Cards Anyone – The game continues, the pot grows, and grows, it up to \$17.00 as of 2-18, each week it will grow by the size of one half of half of the pot. How big will it get, no one knows, the only way you can win is it come to a meeting, purchase a 50/50 ticket and be lucky enough to draw the Queen of Diamonds, who will be the next winner!

Last week we had the 4-H Teen Council as our guest, we presented them with a donation, and they were kind enough to present President Tim with a Certificate of Appreciation to the Club. We had four very special teens as our guest, their involvement in 4-H is only part of their life; it was hard to believe everything they are involved in.

It's running, sap that is, the Maple Tree Inn is open and we will take our annual trip on March 25<sup>th</sup>. So there will be no regular meeting that night, those planning on going and looking for rides or riders should meet at Leicester Presbyterian Church Parking Lot at 5:30 pm. Others should plan on being at Maple Tree Inn about 6:30 pm.

Spring here, will almost, but it is time for our Annual Winter Chicken BBQ, being held on March 25<sup>th</sup>. Serving dinner at 4:00 pm until sold out. Plan on contacting Dick Moose for job and times. Your help is needed.

The York-Leicester Cub Scouts will be our guest on Thursday March 18<sup>th</sup>. Come to our meeting to see what they are up to.

Division Council meeting date has been changed to SATURDAY MARCH 20TH at Camp Stella Maris hosted by the Livonia Club, details later.

Kiwanians never stand so tall as they do when they bend down to help a child.

The YCS student that won the Scura scholarship last spring (2009) did not go to college so we will be not be paying the \$500.00 to him. Since we have a fund building at the school to be used, in addition to our \$500.00. For the scholarship it has been suggested that the club deposit this money in the Scura Scholarship fund. Several members felt that it would be good to send in \$1000.00. The extra money would come from donations received from Club members. Treasurer Dutch will hold off sending YCS the money until those members interested in donating give funds to him to include along with Club's check. So if you are interested in making a donation to the Scura Scholarship Fund, forward a check to Dutch by March 15th.

Kiwanis Key Leadership program is scheduled for May 14 to 16, 2010. Dave Sylvester, Principal at YCS has the information. We have funds to send three (3) students to this program again this year.
